

Hands on Cooking Classes for Singles

Heat up your love life or merely shake up your food habits with InnerChef Cooking Classes for Singles.

Interested in mingling with other single foodie-types? Food sets the mood as InnerChef brings together single men and women for an event unique to Calgary. Lead by your host, Chef Patrick Dunn, you will work in teams to prepare and present a wide variety of simple and delicious dishes. At the end of the evening, the class will gather to share the gourmet meal they helped create.

The classes typically run for 3 hours, giving you plenty of time to mingle and get to know one another as the cooking class progresses. Classes begin with a welcome cocktail and appetizer, as well as wine that is served with dinner. No culinary experience is required, merely a positive attitude, a willingness to learn and perhaps try something new. Come prepared to socialize, cook and have fun.
