

"Will my kitchen be large enough?"

As long as you can put a cutting board down (in the kitchen or on the dining room table), as many times as there are students, you can comfortably learn to cook in your home kitchen. Depending on the layout of the cooking area, and menu, portable gas burners can be used.

One or two participants: \$275 (a series of three classes, \$675)

Each additional participant add \$85 each
